[illegible] if [illegible] the [illegible] may be [illegible] to attend to the work themselves. This may perhaps be asked to be done, any cost on account of blasting paper, scales etc for maps being met out of the VP fund.

The cost of preparing the map has the PWD estimated at Rs 150/- each appears to be rather high & the C. Engineer's opinion on this point, and also whether the cost cannot be reduced by considerably may perhaps be ascertained.

The idea proposal to meet the cost of maps from the annual allocation - Contingencies - grant - does not appear desirable as other districts may follow suit & is not agreed to by the R.C.

Eng 13/6/29.

Sd. Secy

On account of the prohibitive cost the recommendation of the Rev. Comr. may perhaps be approved.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,

Dated, Bangalore, 5th June ..... 192 .9

FROM,

P. G. D'SOUZA, ESQ., B.A., B.L.,
Revenue Commissioner in Mysore.

GEN 5492
8 JUNE 19..
L & G. ...

To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

SIR,

Adverting to Government Order No.5278-88/V.P. 40-28-9 dated 4/5th February 1929 regarding the preparation of Village Maps noting therein the improvements to Village Panchayets. I have the honour to forward herewith copy of letter No. A2.1915-28 dated the 29th April 1929 and of its enclosure received from the Deputy Commissioner, Kadur District, in the matter and to state as follows:-

The Deputy Commissioner states that it was resolved at a meeting of District Officers that one village in each Taluk of his District may be selected for getting the map prepared and that the Executive Engineer who was consulted as to the cost involved has replied that an expenditure of Rs 750/- will have to be incurred therefor at a cost of Rs 150/- for each map and a Subover-seer has to be put on the work for about a period of 5 months at least. The Deputy Commissioner requests sanction to employ a subover-seer temporarily for the work and meeting the cost out of the grant to his district under 30-5 Rural Reconstruction (i) contingencies. Government Order No.L. 5278-8 V.P. dated 4/5th February 1929 lays down that if this work cannot be done by the Village Panchayet Inspectors, it should be done by the agency of a Special Subover-seer, provided the Panchayet can afford to meet the cost. The Deputy Commissioner however proposes that the cost should be met out of the Government grants. If what the Deputy Commissioner proposes is sanctioned, the same procedure will have to

be adopted in other cases also and therefore a large portion of the grant under 20-5 (i) "contingencies" will have to be spent on the preparation of maps alone every year. In view of the large cost involved, the proposal does not commend itself to me. I request that orders of government may be kindly obtained in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

for Revenue Commissioner,
Assistant Commissioner,
Absent-from Station.

G.R.

Letter No. A2. 1915/28 dated 29th April 1929, from the Deputy Commissioner, Kadur, to the Revenue Commissioner in Mysore.

With reference to your docket No.C. 2253/28-29 dated 20-3-19 o requesting to intimate what action has been taken on Government Order No.L. 5278-88/V.P. 80-28-9 dated 4/5th February 1929, in the matter of preparation of maps by Village Panchayets indicating the lay out of villages under their control and improvements or extensions in contemplation, I have the honour to state that the subject was discussed at a meeting of District Officers held on 20-3-1929, and it was resolved that one village for each taluk as noted in the margin may be selected for getting the map prepared as per G.O. The Executive Engineer was requested to arrange to have the maps prepared. The Executive Engineer who was requested to send an estimate of the cost of the preparation of each of the maps has replied that the approximate cost of the preparation of 6 village maps would be Rs 750/- at Rs 150/- for each map. As regards putting the work on hand the Executive Engineer stated that it will take one Sub Overseer at least 5 months for completing the work satisfactorily, as since the present Executive Establishment of the Division is very busy on special works, it is not possible to spare the services of a Sub Overseer at present, and that the Superintending Engineer, Shimoga Circle, will be requested to post a sub overseer temporarily. It is also suggested by him that the work may be entrusted to some retired Sub Overseer or an Engineering Firm on contract. Copy of the Executive Engineer's letter No.332 dated 27th March 1929, is enclosed for reference.

Lingadahalli — Tarikere taluk.
Hariharapura — Koppa.
Kalasa. — Mudigere.
Ambla. — Chikmagalur.
Sakrepatna. — Kadur.
Balehonur. — N.R.Pura Sub Taluk.
already prepared.

2. Under the above circumstances, I request that sanction of Government may kindly be obtained for employing a sub overseer temporarily for the work and for meeting the cost of the same out of the grant under 'Contingencies'- Rural reconst

Letter No. 332 dated 27-7-1929, from the Executive Engineer, Kadur Sivision, to the Deputy Commissioner, Kadur District

---

Estimate for the preparion of Village maps.

With reference to your No.E.V.1-19 dated 24-6-1929 requesting that an estimate for the cost of the preparation of the village map may be intimated and that the work on the preparation of maps for the undermentioned villages may be put on hand early, I have the honour to state that the approximate cost of the preparation of village maps will be as under:-

viz.	1) Lingadahalli	Tarikere taluk	Rs 150/-
	2) Balehonnur.	N.P.pura Sub Taluk	Rs 150/-
	3) Harihar pura.	Koppa taluk.	150/-
	4) Kalasa.	Mudigere taluk.	150
	5) Ambla.	Chikmagalur.	150/-
	6) Sakrepatna.	Kadur taluk.	150/-
			750

regards putting the work on hand early, I have the honour to state that it will take one Sub overseer at least 5 months for completing the above work satisfactorily. Since the present executive establishment of the Division are very busy on special works, it is not possible to spare the services of a Sub overseer at present. I am requesting the Superintending Engineer, Shimoga, to post a Sub-overseer temporarily. For expedition of work, I would suggest that the work may be entrusted to some retired sub overseer or an Engineering Firm on contract.
